(a) The City is a municipal corporation duly created and validly existing under the laws of the State of Georgia, having the power to enter into and carry out its obligations under this Contract, and, by proper action of its governing body, has authorized the execution and delivery of this Contract and the taking of any and all such actions as may be required on its part to carry out, give effect to, and consummate the transactions contemplated by this Contract, and no approval or other action by any governmental authority, agency, or other person is required in connection with the delivery and performance of this Contract by it except as shall have been obtained as of the date hereof.

(b) This Contract has been duly executed and delivered by the City and constitutes the legal, valid, and binding obligation of the City enforceable in accordance with its terms.

(c) The authorization, execution, delivery, and performance by the City of this Contract and compliance by the City with the provisions hereof do not violate the Constitution or the statutes of the State of Georgia relating to the City or constitute a breach of or a default under,

any other law, court order, administrative regulation, or legal decree, or any agreement or other instrument to which it is a party or by which it is bound.

(d) There is no litigation or proceeding pending, or to the knowledge of the City threatened, against the City or any other person that has or could have a material adverse affect on the right of the City to execute this Contract or its ability to comply with any of its obligations under this Contract or that involves the possibility of materially and adversely affecting the properties, activities, prospects, profits, operations, or condition (financial or otherwise) of the City.

### **ARTICLE III**

#### **TERM; PAYMENT PROVISIONS; OBLIGATIONS ABSOLUTE AND UNCONDITIONAL**

**Section 3.1. Term.** The term of this Contract shall commence with the execution and delivery hereof and shall extend until fifty years from the date hereof.

**Section 3.2. Payments.** (a) The City hereby covenants and agrees to pay to the Housing Corporation at least three (3) business days prior to the date of any scheduled loan repayment due under the Loan Agreement, until the principal of, premium, if any, and interest on the Bonds shall have been paid in full or duly provided for, a sum equal to the amount that will be sufficient to pay the amounts payable on such dates as loan repayments due under the Loan Agreement. The payments required to be made by the City to the Housing Corporation pursuant to the provisions of this Section 3.2(a) shall be used by the Housing Corporation solely to make loan repayments due under the Loan Agreement by providing for the payment of principal of, premium, if any, and interest on the Bonds as the same becomes due and payable. All payments received by the Housing Corporation under the provisions of this Section 3.2(a) shall not be commingled with any other funds of the Housing Corporation and shall be received in trust and deposited directly into the Sinking Fund created and held under the Bond Resolution so as to assure the availability of moneys to the Finance Authority to pay the principal of, premium, if any, and interest on the Bonds as the same becomes due and payable.

(b) As security for the payments required by Section 3.2(a) hereof, the City hereby pledges to the Housing Corporation its full faith and credit and unlimited taxing power for such payments. The City covenants that, in order to make any such payments when due from its general funds to the extent required hereunder, the City will exercise its powers of taxation to the extent necessary to pay the amount of the payments required hereunder and will make available and use for such payments all taxes levied and collected for that purpose together with funds received from any other sources. The City further covenants and agrees that in order to make funds available for such purpose in each fiscal year, it will, to the extent necessary, in its general revenue, appropriation, and budgetary measures through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments, whether or not any other sums are included in such measure, until all payments so required to be made hereunder shall have been made in full. The obligation of the City to make

the payments required to be made hereunder from its general funds shall constitute a general obligation of the City and a pledge of the full faith and credit of the City to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 3.2(b), then the fiscal officers of the City are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations that may be due from the general funds of the City. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the City had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal officers of the City shall make such payments as are required to be made hereunder if for any reason the payment of such obligations shall not otherwise have been made.

(c) The City covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the corporate limits of the City, as now existent and as the same may hereafter be extended, at such rate or rates, without limitation as to rate or amount, as may be necessary to produce in each year revenues that will be sufficient to fulfill the City's obligations to make any such payments required to be made by the City hereunder, from which revenues the City agrees to appropriate sums sufficient to pay in full when due all of the City's obligations to make any such payments. Nothing herein contained, however, shall be construed as limiting the right of the City to make the payments required to be made by the City out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds).

(d) The payments to be made to the Housing Corporation by the City under the provisions of Section 3.2(a) of this Contract shall be made directly to the depository of the Sinking Fund created and held under the Bond Resolution for the account of the Housing Corporation for deposit in the Sinking Fund.

**Section 3.3. Obligations of City Hereunder Absolute and Unconditional.** The obligations of the City to make the payments provided for herein and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment, or counterclaim it may otherwise have against the Housing Corporation. Until such time as the Bonds are paid or deemed paid in accordance with the terms of Article XI of the Bond Resolution, the City (i) shall not withhold, suspend, abate, reduce, abrogate, diminish, postpone, modify, or discontinue the payments provided for herein, (ii) shall perform and observe all of its other agreements contained in this Contract, and (iii) shall not terminate the term of this Contract or its obligations hereunder for any contingency, act of God, event, or cause whatsoever, including, without limiting the generality of the foregoing, failure of the Housing Corporation to carry out and implement the Housing Opportunity Program as contemplated in this Contract or otherwise, any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State of Georgia or any political subdivision of either, any declaration or finding that any of the Bonds, the Loan Agreement, or the Bond Resolution is unenforceable or invalid, the invalidity of any provision of this Contract, or any failure of the Housing Corporation to perform and observe any agreement,

whether express or implied, or any duty, liability, or obligation arising out of or connected with this Contract or the Loan Agreement. Nothing contained in this Section shall be construed to release the Housing Corporation from the performance of any of the agreements on its part contained herein. If the Housing Corporation should fail to perform any such agreement, the City may institute such action against the Housing Corporation as the City may deem necessary to compel performance or recover its damages for nonperformance as long as such action shall not do violence to or adversely affect the agreements on the part of the City contained in this Contract and to make the payments specified herein. The Housing Corporation hereby agrees that it shall not take or omit to take any action that would cause this Contract to be terminated. The City may, however, at its own cost and expense and in its own name or in the name of the Housing Corporation, prosecute or defend any action or proceeding or take any other action involving third persons that the City deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the Housing Corporation hereby agrees to cooperate fully with the City and to take all action necessary to effect the substitution of the City for the Housing Corporation in any such action or proceeding if the City shall so request.

**Section 3.4. Enforcement of Obligations.** The obligation of the City to make payments required hereunder may be enforced by (i) the Housing Corporation, (ii) the Finance Authority under the Loan Agreement, in accordance with the applicable provisions of the Loan Agreement, (iii) the Bondholders under the Bond Resolution, in accordance with the applicable provisions of the Bond Resolution, or (iv) such receiver or receivers as may be appointed pursuant to the Bond Resolution or applicable law. It is understood and agreed that the Housing Corporation will pledge the payments required to be made by the City hereunder, and will grant a security interest in the Housing Corporation's contract rights under this Contract, to secure its obligation to make Loan repayments pursuant to the Loan Agreement, and the City hereby consents to the pledge of its payments required to be made hereunder, and the grant of a security interest in the Housing Corporation's contract rights hereunder, pursuant to the Loan Agreement. The Finance Authority and the owners of the Bonds are deemed to be and are third party beneficiaries of the representations, covenants, and agreements of the City herein contained.

**Section 3.5. No Set-Off.** No breach, default, or failure by the Housing Corporation to comply with the provisions of this Contract shall permit an abatement or reduction in or setoff against the payments due from the City hereunder. Nothing in this Contract shall otherwise impair, diminish, or affect any other right or remedy available to the City (i) as a result of the Housing Corporation's breach, default, or failure under this Contract, or (ii) to enforce the obligations of the Housing Corporation under this Contract. No dispute or litigation between the Housing Corporation and the City with respect to this Contract shall affect any party's duties to perform its obligations or its rights or remedies while such dispute or litigation is pending.

## ARTICLE IV

### SPECIAL COVENANTS OF CITY

**Section 4.1. Fees and Expenses Paid by the City; Indemnity.** (a) The City agrees that it shall pay directly to the Housing Corporation and the Finance Authority, respectively, an

amount sufficient to pay or reimburse the Housing Corporation and the Finance Authority, respectively, for all expenses actually incurred by each of them under the Loan Agreement and the Bond Resolution, including but not limited to the reasonable fees and expenses of their respective counsel and agents, the cost of directors and officers liability insurance for the Housing Corporation, and all other costs associated with the Housing Opportunity Program. Such amounts, to the extent they are not paid by moneys on deposit in the hereinafter described Administrative Costs Fund, shall be billed to the City by the Housing Corporation or the Finance Authority from time to time, together with a statement certifying that the amount billed has been incurred or paid by such party for one or more of the above items. Amounts so billed shall be paid by the City within thirty (30) days after receipt of the bill by the City.

(b) In addition to the other amounts payable by the City under this Contract (including, without limitation, Section 4.1(a) hereof), the City hereby agrees to pay and indemnify the Housing Corporation and the Finance Authority and each of their respective directors, officers, employees, and agents from and against all claims, liabilities, losses, costs, and expenses (including, without limitation, reasonable attorneys' fees and expenses) that the Housing Corporation and the Finance Authority may (other than as a result of the gross negligence or willful misconduct of the Housing Corporation or the Finance Authority) incur or be subjected to as a consequence, directly or indirectly, of the Housing Opportunity Program, including, but not limited to, (i) any actual or proposed use of the proceeds of any Bonds or the City's entering into or performing under this Contract, (ii) any breach by the City of any representation, warranty, covenant, or condition in, or the occurrence of any other default under, this Contract, including without limitation all reasonable attorneys' fees or expenses resulting from the settlement or defense of any claims or liabilities arising as a result of any such breach or default, (iii) allegations that the Housing Corporation or the Finance Authority has joint liability with the City to any third party as a result of the transactions contemplated by this Contract, or (iv) any suit, investigation, or proceeding as to which the Housing Corporation or the Finance Authority is involved as a consequence, directly or indirectly, of its execution of this Contract, the Loan Agreement, or the Bond Resolution or any other event or transaction contemplated by this Contract, the Loan Agreement, or the Bond Resolution.

(c) Nothing contained in Section 4.1(b) shall require the City to indemnify the Housing Corporation or the Finance Authority for any claim or liability that the City was not given any opportunity to contest or for any settlement of any such action effected without the City's consent. The indemnity of the Housing Corporation and the Finance Authority contained in Section 4.1(b) shall survive the termination of this Contract.

(d) As security for the payments required by Section 4.1(a) and (b) hereof, the City hereby pledges to the Housing Corporation and the Finance Authority its full faith and credit and unlimited taxing power for such payments. The City covenants that, in order to make any such payments when due from its general funds to the extent required hereunder, the City will exercise its powers of taxation to the extent necessary to pay the amount of the payments required hereunder and will make available and use for such payments all taxes levied and collected for that purpose together with funds received from any other sources. The City further covenants and agrees that in order to make funds available for such purpose in each fiscal year, it will, to the extent necessary, in its general revenue, appropriation, and budgetary measures

through which its tax funds or revenues and the allocation thereof are controlled or provided for, include sums sufficient to satisfy any such payments, whether or not any other sums are included in such measure, until all payments so required to be made hereunder shall have been made in full. The obligation of the City to make the payments required to be made hereunder from its general funds shall constitute a general obligation of the City and a pledge of the full faith and credit of the City to provide the funds required to fulfill any such obligation. In the event for any reason any such provision or appropriation is not made as provided in this Section 4.1(d), then the fiscal officers of the City are hereby authorized and directed to set up as an appropriation on their accounts in the appropriate fiscal year the amounts required to pay the obligations that may be due from the general funds of the City. The amount of such appropriation shall be due and payable and shall be expended for the purpose of paying any such obligations, and such appropriation shall have the same legal status as if the City had included the amount of the appropriation in its general revenue, appropriation, and budgetary measures, and the fiscal officers of the City shall make such payments as are required to be made hereunder if for any reason the payment of such obligations shall not otherwise have been made.

(e) The City covenants and agrees that it shall, to the extent necessary, levy an annual ad valorem tax on all taxable property located within the corporate limits of the City, as now existent and as the same may hereafter be extended, at such rate or rates, without limitation as to rate or amount, as may be necessary to produce in each year revenues that will be sufficient to fulfill the City's obligations to make any such payments required to be made by the City hereunder, from which revenues the City agrees to appropriate sums sufficient to pay in full when due all of the City's obligations to make any such payments. Nothing herein contained, however, shall be construed as limiting the right of the City to make the payments required to be made by the City out of any funds lawfully available to it for such purpose, from whatever source derived (including general funds).

**Section 4.2. Continuing Disclosure.** The City hereby covenants and agrees that it will comply with and carry out all of the provisions of the Disclosure Certificate. Notwithstanding any other provision of this Contract, failure of the City to comply with the Disclosure Certificate shall not be considered an event of default under this Contract; however, any beneficial owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this Section 4.2.

**Section 4.3. Further Assurances and Corrective Instruments, Recordings, and Filings.** The City agrees that it will, from time to time, execute, acknowledge, and deliver, or cause to be executed, acknowledged, and delivered, such supplements hereto and such further instruments, certificates, and acknowledgments as may reasonably be required to perfect the pledge of revenues derived hereunder as provided in the Loan Agreement or for carrying out the intention of or facilitating the performance of this Contract.

**Section 4.4. Confirming Documents.** In connection with the issuance of any series of Bonds, the City shall, upon request by the Housing Corporation, authorize, execute, and deliver to the Housing Corporation any certificates, letters, or other documents confirming the obligations of the City under this Contract, or the execution and delivery of this Contract.

**Section 4.5. Tax Returns.** The City shall prepare and file, or cause to be prepared and filed, any tax returns or other information that the Housing Corporation is required by law to file with any taxing authority, federal, state, or local.
